Preface vii

Chapter 1 The Economic and Institutional Setting
for Financial Reporting 1

WorldCom in May 2002 1

Why Financial Statements Are Important 2

Untangling the Web at WorldCom 3

Economics of Accounting Information 6

Demand for Financial Statements 7

*Disclosure Incentives and the Supply of Financial
Information 10*

A Closer Look at Professional Analysts 14

Analysts' Decisions 14

Analysts' Information Needs 16

The Rules of the Financial Reporting Game 17

Generally Accepted Accounting Principles 17

Who Determines the Rules? 20

FASB Accounting Standards Codification™ 21

The Politics of Accounting Standards 23

Adversarial Nature of Financial Reporting 24

Aggressive Financial Reporting: A Case Study 25

An International Perspective 29

International Financial Reporting 31

International Accounting Standards Board (IASB) 33

The March toward Convergence 35

Challenges Confronting the Analyst 36

APPENDIX: GAAP in the United States 38

Early Developments 38

Emergence of GAAP 40

*Current Institutional Structure in the
United States 42*

Chapter 2 Accrual Accounting and Income
Determination 57

**Example: Cash versus Accrual Income
Measurement 57**

**Measurement of Profit Performance:
Revenues and Expenses 61**

Criteria for Revenue Recognition 64

Matching Expenses with Revenues 68

Income Statement Format and Classification 69

Special or Unusual Items (Item 2) 71

Discontinued Operations (Item 3) 71

Extraordinary Items (Item 4) 74

*Frequency and Magnitude of Various
Categories of Transitory Income
Statement Items 75*

Reporting Accounting Changes 76

Earnings per Share 83

**Comprehensive Income and Other Comprehensive
Income 84**

Global Vantage Point 88

Sections, Categories, and Subcategories 89

**APPENDIX: Review of Accounting Procedures and
T-Account Analysis 93**

Understanding Debits and Credits 95

Adjusting Entries 97

Closing Entries 101

Chapter 3 Additional Topics in Income
Determination 131

Revenue Recognition Prior to Sale 132

Percentage-of-Completion Method 132

Completed-Contract Method 137

Revenue Recognition on Commodities 138

Revenue Recognition Subsequent to Sale 142

Installment Sales Method 142

Cost Recovery Method 144

**Revenue Recognition for Specialized Sales
Transactions 146**

Franchise Sales 146

<i>Sales with Right of Return</i>	149
<i>Bundled (Multiple-Element) Sales</i>	149
Earnings Management	152
<i>Popular Earnings Management Devices</i>	155
Accounting Errors, Earnings Restatements, and Prior Period Adjustments	160
Global Vantage Point	165
<i>IFRS Revenue Recognition and Measurement</i>	165
<i>Long-Term Construction Accounting</i>	166
<i>Installment Sales</i>	169
<i>Joint IASB/FASB Project on Revenue Recognition</i>	170
Chapter 4	Structure of the Balance Sheet and Statement of Cash Flows 193
Classification Criteria and Measurement Conventions for Balance Sheet Accounts	194
<i>Analytical Insights: Understanding the Nature of a Firm's Business</i>	201
<i>International Differences in Balance Sheet Presentation</i>	203
Notes to Financial Statements	206
Statement of Cash Flows	208
<i>Cash Flows versus Accrual Earnings</i>	210
<i>Deriving Cash Flow Information</i>	215
Global Vantage Point	220
<i>Defining the Sections, Categories, and Subcategories in the Statements</i>	221
Chapter 5	Essentials of Financial Statement Analysis 249
Basic Approaches	249
<i>Financial Statement Analysis and Accounting Quality</i>	250
A Case in Point: Getting Behind the Numbers at Whole Foods Market	252
<i>Examining Whole Foods Market's Financial Statements</i>	253
Profitability, Competition, and Business Strategy	263
<i>Financial Ratios and Profitability Analysis</i>	263
<i>ROA and Competitive Advantage</i>	267

Return on Common Equity and Financial Leverage	270
<i>Components of ROCE</i>	272
Global Vantage Point	273
Liquidity, Solvency, and Credit Analysis	276
<i>Cash Flow Analysis</i>	284
<i>Financial Ratios and Default Risk</i>	289
APPENDIX: Altman's Z-Score and the Prediction of Bankruptcy	292
Chapter 6	The Role of Financial Information in Valuation and Credit Risk Assessment 313
Business Valuation	314
<i>The Discounted Free Cash Flow Approach to Valuation</i>	314
<i>The Role of Earnings in Valuation</i>	318
<i>The Abnormal Earnings Approach to Valuation</i>	321
Fair Value Accounting	325
Global Vantage Point	327
Research on Earnings and Equity Valuation	327
<i>Sources of Variation in P/E Multiples</i>	329
<i>Earnings Surprises</i>	334
Credit Risk Assessment	336
<i>Traditional Lending Products</i>	337
<i>Credit Analysis</i>	338
<i>Credit-Rating Agencies</i>	339
APPENDIX A: Discounted Cash Flow and Abnormal Earnings Valuation Applications	344
<i>Valuing a Business Opportunity</i>	344
<i>Valuing Whole Foods Market's Shares</i>	348
APPENDIX B: Financial Statement Forecasts	351
<i>Illustration of Comprehensive Financial Statement Forecasts</i>	352
Chapter 7	The Role of Financial Information in Contracting 375
<i>Finalizing the BookWorm Loan</i>	376
Conflicts of Interest in Business Relationships	376
Debt Covenants in Lending Agreements	378
<i>Affirmative Covenants, Negative Covenants, and Default Provisions</i>	379

*Mandated Accounting Changes May Trigger Debt
Covenant Violation 382*

*Managers' Responses to Potential Debt Covenant
Violations 383*

Management Compensation 385

How Executives Are Paid 386

Proxy Statements and Executive Compensation 391

Incentives Tied to Accounting Numbers 392

Catering to Wall Street 396

Regulatory Agencies 399

Capital Requirements in the Banking Industry 400

Rate Regulation in the Electric Utilities Industry 401

Taxation 402

Fair Value Accounting and the Financial Crisis 403

The Meltdown 404

The Controversy 405

Analytical Insights: Incentives to "Manage"

Earnings 407

Chapter 8 Receivables 425

Assessing the Net Realizable Value of Accounts Receivable 425

Estimating Uncollectibles 425

*Assessing the Adequacy of the Allowance for
Uncollectibles Account Balance 427*

Estimating Sales Returns and Allowances 429

*Analytical Insight: Do Existing Receivables
Represent Real Sales? 430*

Imputing Interest on Trade Notes Receivable 435

The Fair Value Option 439

Accelerating Cash Collection: Sale of Receivables and Collateralized Borrowings 441

Sale of Receivables (Factoring) 442

Borrowing Using Receivables as Collateral 443

*Ambiguities Abound: Is It a Sale or a
Borrowing? 444*

A Closer Look at Securitizations 445

Securitization and the 2008 Financial Crisis 449

Some Cautions for Statement Readers 450

Troubled Debt Restructuring 451

Settlement 453

Continuation with Modification of Debt Terms 453

Evaluating Troubled Debt Restructuring Rules 457

Global Vantage Point 458

*Comparison of IFRS and GAAP Receivable
Accounting 458*

Expected FASB and IASB Actions 459

Chapter 9 Inventories 477

An Overview of Inventory Accounting Issues 477

Determination of Inventory Quantities 480

Items Included in Inventory 483

Costs Included in Inventory 483

Manufacturing Costs 484

*Absorption Costing versus Variable
Costing 485*

Vendor Allowances 488

Cost Flow Assumptions: The Concepts 489

First-In, First-Out (FIFO) Cost Flow 491

Last-In, First-Out (LIFO) Cost Flow 492

FIFO, LIFO, and Inventory Holding Gains 493

The LIFO Reserve Disclosure 496

Inflation and LIFO Reserves 500

LIFO Liquidation 502

Reconciliation of Changes in LIFO Reserve 504

Improved Trend Analysis 505

Eliminating LIFO Ratio Distortions 507

Tax Implications of LIFO 508

Eliminating Realized Holding Gains for FIFO Firms 509

Analytical Insights: LIFO Dangers 510

Empirical Evidence on Inventory Policy Choice 511

Lower of Cost or Market Method 513

*The Contracting Origins of the Lower of Cost or
Market Method 516*

*Evaluation of the Lower of Cost or
Market Rule 517*

Global Vantage Point 518

*Comparison of IFRS and GAAP Inventory
Accounting 518*

Future Directions 519

APPENDIX A: Eliminating Realized Holding Gains from FIFO Income 522

APPENDIX B: Dollar-Value LIFO 524

APPENDIX C: Inventory Errors 529

Chapter 10 Long-Lived Assets 551

Measurement of the Carrying Amount of Long-Lived Assets 552

The Approach Used by GAAP 553

Long-Lived Asset Measurement Rules Illustrated 555

Financial Analysis and Fixed Asset Reporting 560

Intangible Assets 564

Asset Impairment 567

Tangible and Amortizable Intangible Assets 567

Indefinite-Lived Intangible Assets 570

Case Study of Impairment Recognition and Disclosure—Fortune Brands 570

Management Judgments and Impairments 572

Obligations Arising from Retiring

Long-Lived Assets 572

Assets Held for Sale 574

Depreciation 574

Disposition of Long-Lived Assets 577

Financial Analysis and Depreciation Differences 579

Exchanges of Nonmonetary Assets 582

Exchanges Recorded at Book Value 584

Global Vantage Point 586

Comparison of IFRS and GAAP Long-Lived Asset Accounting 586

Future Directions 591

Chapter 11 Financial Instruments as Liabilities 611

Balance Sheet Presentation 611

Global Vantage Point 613

Debt or Equity? 613

Bonds Payable 614

Characteristics of Bond Cash Flows 614

Bonds Issued at Par 615

Bonds Issued at a Discount 616

Bonds Issued at a Premium 619

Graphic Look at Bonds 621

Book Value versus Market Value after Issuance 623

Fair Value Option 626

Global Vantage Point 630

Managerial Incentives and Financial

Reporting for Debt 631

Debt Carried at Amortized Historical Cost 631

Imputed Interest on Notes Payable 636

Analytical Insights: Future Cash Flow

Effects of Debt 637

Incentives for Off-Balance-Sheet Liabilities 641

Hedges 643

Typical Derivative Instruments and the Benefits of Hedging 644

Financial Reporting for Derivative Instruments 650

Hedge Accounting 651

Fair Value Hedge Accounting 653

Cash Flow Hedge Accounting 656

Hedge Accounting for a Forecasted Transaction 659

Hedge Effectiveness 659

Global Vantage Point 661

Contingent Liabilities 661

Measuring and Recognizing Loss Contingencies 662

Recording Gain Contingencies 664

Global Vantage Point 664

Chapter 12 Financial Reporting for Leases 693

Evolution of Lease Accounting 693

Why Lessees Like the Operating Lease Method 695

The Securities and Exchange Commission's Initiative 695

Lessee Accounting 696

FASB ASC 840 Criteria for Capital Lease Treatment 696

Capital Lease Treatment Illustrated 698

Executory Costs 701

Residual Value Guarantees 702

Payments in Advance 704

Financial Statement Effects of Treating a Lease as a Capital Lease versus Treating It as an Operating Lease 705

Lessees' Financial Statement Disclosures 710

Lessor Accounting 712

- Sales-Type and Direct Financing Leases 712*
- Lessors' Operating Leases 714*
- Distinction between Capital and Operating Leases 714*
- Direct Financing Lease Treatment Illustrated 716*
- Guaranteed versus Unguaranteed Residual Values 719*
- Financial Statement Effects of Direct Financing versus Operating Leases 719*
- Sales-Type Lease Treatment Illustrated 721*

Additional Leasing Aspects 722

- Sale and Leaseback 722*
- Other Special Lease Accounting Rules 724*
- Financial Reporting versus Tax Accounting for Leases 724*
- Lessors' Disclosures 724*

Global Vantage Point 726

- Comparison of IFRS and GAAP Lease Accounting 726*
- FASB and IASB Joint Exposure Draft 727*

APPENDIX: Making Financial Statement Data Comparable by Adjusting for Off-Balance-Sheet Leases 730

Chapter 13 Income Tax Reporting 749

Understanding Income Tax Reporting 750

- Temporary and Permanent Differences between Book Income and Taxable Income 750*
- Problems Caused by Temporary Differences 752*
- Deferred Income Tax Accounting: Interperiod Tax Allocation 755*
- Deferred Income Tax Assets 758*
- Deferred Income Tax Asset Valuation Allowances 760*
- Illustration of Footnote Disclosure for Valuation Allowances 762*
- Classification of Deferred Tax Assets and Deferred Tax Liabilities 763*
- Deferred Income Tax Accounting When Tax Rates Change 763*
- Net Operating Losses: Carrybacks and Carryforwards 766*

Using Footnote Disclosures to Improve Financial Analysis 768

- Understanding Income Tax Footnote Disclosures 768*

Measuring and Reporting Uncertain Tax Positions 773

- Assessing Uncertain Tax Position Related to a Permanent Difference 774*
- Recording Uncertain Tax Position Related to Timing of Deductibility 775*
- Making Changes or Resolving Uncertain Tax Positions 776*
- Assessing Disclosures on Uncertain Tax Positions 777*

Extracting Analytical Insights from Footnote Disclosures 778

- Using Deferred Tax Footnotes to Assess Earnings Quality 780*
- Using Tax Footnotes to Improve Interfirm Comparability 782*
- Using Income Tax Footnotes to Assess the Degree of Conservatism in Firms' Accounting Choices 784*

Global Vantage Point 787

- Approach for Recognizing Deferred Tax Assets 787*
- Reconciliation of Statutory and Effective Tax Rates 788*
- Reporting Deferred Taxes on the Balance Sheet 788*
- Disclosure of Income Tax Amounts Recognized Directly in Equity (Other Comprehensive Income) 789*
- Uncertain Tax Positions 790*
- IASB Exposure Draft on Income Taxes 790*

APPENDIX: Comprehensive Interperiod Tax Allocation Problem 792

- Computation of Taxable Income and Taxes Payable 793*
- Calculation of Change in Deferred Tax Asset and Liability Accounts 795*
- Calculation of Tax Expense 797*

Chapter 14 Pensions and Postretirement Benefits 821

Rights and Obligations in Pension Contracts 821

Accounting Issues Related to Defined Benefit Pension Plans 824

Financial Reporting for Defined Benefit Pension Plans 825

- A Simple Example: A World of Complete Certainty 826*
- The Real World: Uncertainty Introduces Gains and Losses 830*
