| Liberal parties.....                            | 56 |
| Agrarian parties.....                           | 58 |

|                                                                   |    |
|-------------------------------------------------------------------|----|
| Deviations from the five-party system model until the 1970s ..... | 62 |
| The new parties and party families .....                          | 62 |
| The Religious parties.....                                        | 62 |
| The Radical Rightist parties.....                                 | 64 |
| The Green parties .....                                           | 67 |
| Special traits for the party systems in each country .....        | 69 |
| Trends in the development of the party systems .....              | 71 |
| Conclusions .....                                                 | 75 |

### **Chapter 3**

|                                                     |    |
|-----------------------------------------------------|----|
| SOCIAL CLEAVAGES AND POLITICAL VALUE CONFLICTS..... | 77 |
|-----------------------------------------------------|----|

*Oddbjørn Knutsen*

|                                                                                            |     |
|--------------------------------------------------------------------------------------------|-----|
| Introduction.....                                                                          | 77  |
| Theories and conceptual framework .....                                                    | 78  |
| The Lipset-Rokkan structural cleavages .....                                               | 80  |
| New structural cleavages .....                                                             | 91  |
| The impact of value orientations.....                                                      | 97  |
| The total impact of social structure and political value orientations on party choice..... | 101 |
| Conclusion.....                                                                            | 102 |

### **Chapter 4**

|                                                    |     |
|----------------------------------------------------|-----|
| POLITICAL REPRESENTATION AND PARLIAMENTARISM ..... | 105 |
|----------------------------------------------------|-----|

*Knut Heidar & Bjørn Erik Rasch*

|                                                                    |     |
|--------------------------------------------------------------------|-----|
| Elections and electoral systems.....                               | 106 |
| Parties at elections .....                                         | 108 |
| Who are the parliamentarians? Do they mirror the electorate? ..... | 110 |
| The organization of parliaments .....                              | 111 |
| Parliamentary government .....                                     | 113 |
| Negative parliamentarism.....                                      | 116 |
| Opposition influence and minority governments.....                 | 118 |
| The party system and type of government.....                       | 120 |
| Conclusion.....                                                    | 123 |

### **Chapter 5**

|                                        |     |
|----------------------------------------|-----|
| THE NORDIC GENDER EQUALITY MODEL ..... | 125 |
|----------------------------------------|-----|

*Mari Teigen & Hege Skjeie*

|                                                               |     |
|---------------------------------------------------------------|-----|
| Introduction.....                                             | 125 |
| Economic equity and democratic parity .....                   | 127 |
| European patterns: Economic equity and democratic parity..... | 128 |

|                                                                                           |     |
|-------------------------------------------------------------------------------------------|-----|
| Nordic variation: Economic equity and democratic parity.....                              | 132 |
| Conclusion.....                                                                           | 144 |
| <br><b>Chapter 6</b>                                                                      |     |
| GOVERNMENT INSTITUTIONS AND STATE REFORMS.....                                            | 149 |
| <i>Karl Hagen Bjurstrøm &amp; Tom Christensen</i>                                         |     |
| Introduction.....                                                                         | 149 |
| Perspectives That Help Explain Similarity and Diversity .....                             | 151 |
| Formal Structure of Civil Services in Nordic Countries.....                               | 152 |
| Public Sector Reforms.....                                                                | 159 |
| A Distinct Nordic Reform Profile? .....                                                   | 169 |
| <br><b>Chapter 7</b>                                                                      |     |
| SCANDINAVIAN CORPORATISM IN DECLINE.....                                                  | 171 |
| <i>Hilmar Rommetvedt</i>                                                                  |     |
| Varieties of corporatism and democracy .....                                              | 172 |
| Scandinavian corporatism in decline.....                                                  | 174 |
| Corporatist exchange and its deterioration .....                                          | 178 |
| Strategic consequences: lobbying.....                                                     | 182 |
| Policy impacts and democratic consequences of lobbying.....                               | 186 |
| The cases of Finland and Iceland .....                                                    | 188 |
| Conclusion.....                                                                           | 190 |
| <br><b>Chapter 8</b>                                                                      |     |
| LOCAL AND REGIONAL GOVERNMENT IN THE NORDIC COUNTRIES: CO-OPERATIVE DECENTRALIZATION..... | 193 |
| <i>Harald Baldersheim, Lawrence E. Rose &amp; Siv Sandberg</i>                            |     |
| Local government in the Nordic state tradition.....                                       | 193 |
| Nordic municipalities and regions in a European context .....                             | 194 |
| The development of local and regional self-government.....                                | 196 |
| The institutional framework of municipalities and regions .....                           | 198 |
| Functions and finances.....                                                               | 201 |
| Local elections and citizen participation .....                                           | 205 |
| Reform politics and territorial governance in the 2000s.....                              | 209 |
| Conclusion.....                                                                           | 217 |

## **Chapter 9**

|                                      |     |
|--------------------------------------|-----|
| THE NORDIC WELFARE STATE MODEL ..... | 219 |
|--------------------------------------|-----|

*Axel West Pedersen & Stein Kuhnle*

|                                                     |     |
|-----------------------------------------------------|-----|
| Introduction: the concept of a 'Nordic model' ..... | 219 |
| Historical roots and development paths.....         | 222 |
| The Nordic model of the 'Golden Era' .....          | 224 |
| Developments since the 'Golden Era'.....            | 230 |
| The future of the Nordic welfare state model .....  | 237 |

## **Chapter 10**

|                                                |     |
|------------------------------------------------|-----|
| KNOWLEDGE REGIMES IN THE NORDIC COUNTRIES..... | 239 |
|------------------------------------------------|-----|

*Johan Christensen, Åse Gornitzka & Cathrine Holst*

|                                                                 |     |
|-----------------------------------------------------------------|-----|
| Introduction.....                                               | 239 |
| Knowledge regimes – what are they and why do they matter? ..... | 240 |
| Knowledge regimes in the Nordic countries .....                 | 242 |
| Conclusion.....                                                 | 252 |

|                                                       |     |
|-------------------------------------------------------|-----|
| CONCLUSIONS: ARE THE NORDIC MODELS STILL VIABLE?..... | 255 |
|-------------------------------------------------------|-----|

*Oddbjørn Knutsen*

|                                                       |     |
