C. Discussion of loss of profit claims on the basis of the Swiss case law review	141
1. Fundamental general aspects of the lost profits concept under Swiss commercial law.....	142
a) Principles deriving from a key axiom of Swiss damages law	143
b) Burden and standard of proof	147
c) Art. 42(2) of the CO	153
d) Compensation only for customary or certain loss of profits?	163
e) Conclusions.....	166
2. Certain specific types of claims	169
a) Sales and purchase agreements under the CO.....	169
b) Sales and purchase agreements under the CISG.....	172
c) Patent infringement cases.....	174
d) Trademark infringement cases	180
e) Unfair competition cases	180
f) Employment agreements.....	181
g) Work contracts.....	185
h) Asset management agreements	186
i) Bank accounts.....	192
j) Interest (Art. 106(1) of the CO).....	193
3. The role of the judge's discretion in the application of Art. 42(2) of the CO	194
4. Practical recommendations for loss of profit claims under Swiss commercial law.....	200
a) Providing the court with no indications at all regarding the loss is a killer.....	200
b) Strive to provide the court with as many and specific indications as possible	203
c) Not complying with invitations by the court to submit information is deadly	206
d) Circumstances matter	208
e) Avoid making excessive loss of profit claims	212

- f) It matters how the evidence is presented214
 - g) Assess the option of an action by stages in cases
of disgorgement of profits.....215
- 5. Summary217
- V. Overall summary of content.....221
- VI. Executive summary of findings.....229
- VII. Index of SFT decisions.....233
