Economic Challenges in Early 21st Century Guyana

Post-Independence Growth and Development

palgrave
macmillan

CONTENTS

1	General Introduction	1
	Dianna DaSilva-Glasgow, Tarron Khemraj, and Desmond Thomas	

Part I Political Economy of Growth and Development

2	Economic Growth and the Optimal Size of Government in Guyana	15
	Elton Bollers	
3	The Impact of Political Instability on Economic Growth: The Case of Guyana	35
	Sukrishnalall Pasha	
4	Regional Inequality and Development: A Study of the Coastal-Hinterland Dichotomy in Guyana	67
	Patrick Williams	
5	Colonial Origins, Institutions, and Socioeconomic Progress in the Caribbean: Guyana and Barbados	113
	Michael DaCosta	

Part II Macroeconomic Performance

6	Tax Buoyancies in Guyana	155
	Elton Bollers and Joel Walcott	

7	Macroeconomic Effects of a Government Overdraft on Its Central Bank Account	181
	Tarron Khemraj	
8	Development Performance and Economic Policy in Guyana, 1990–2021	203
	DeLisle Worrell	
9	Macroeconomic Management Issues in Oil-Producing Guyana	227
	Desmond Thomas	

Part III Guyana and Open Economy Dynamics

10	Trade and Economic Development: Policy and Trends for Guyana	247
	Dianna DaSilva-Glasgow, Diana Arjune, and Colin Luckie	
11	Do Migrants' Remittances Improve Educational Attainment in Developing Countries?	281
	Kevin Williams	
12	Historical and Theoretical Perspectives on Migration in Guyana	301
	Coreen Jacobs-Chester	
13	Managing Guyana's Migration Shocks: Tentative Proposals	321
	Jay R. Mandle	

Part IV Development Issues in an Evolving Guyana

14	Fundamentals of Environmental Economics in the Caribbean: Policy Design and Applications with Case Studies for Guyana	335
	Stephan Moonsammy and Temitope Oyedotun	
15	Sovereign Wealth Funds: Literature Review and the Suriname Experience	371
	Vybhavi Balasundharam and Jeetendra Khadan	

16 The Financial Sector and the Appropriate Regulatory Response in CARICOM	409
Dave Seerattan	
Index	427
