

Franz Chouly

Finite Element Approximation of Boundary Value Problems

Birkhäuser

Contents

1	Introduction	1
2	A Simple Boundary Value Problem	11
3	Low-Order Lagrange Finite Elements.....	51
4	The Standard Finite Element Method	63
5	Nitsche Finite Element Method.....	79
6	Nitsche for Signorini	99
7	A Posteriori Error Estimation	111
A	More About Practical Implementation	125
	Solutions.....	129
	Bibliography	137
	Index.....	151
