

**Table of Contents**

|  |             |
|--|-------------|
| <b>Part A. Introductory overview of the thesis.....</b>        | <b>VII</b>  |
| <b>List of Figures.....</b>                                    | <b>IX</b>   |
| <b>List of Tables.....</b>                                     | <b>XI</b>   |
| <b>List of Abbreviations.....</b>                              | <b>XIII</b> |
| <b>1    Introduction .....</b>                                 | <b>1</b>    |
| 1.1       Overview and relevance of research topic .....       | 1           |
| 1.2       Identification of Research Deficits.....             | 6           |
| 1.3       Deduction of Research Questions .....                | 11          |
| 1.4       Aspired Contribution.....                            | 15          |
| <b>2    Conceptual and theoretical background .....</b>        | <b>19</b>   |
| 2.1       Corporate culture and the role of top managers ..... | 20          |
| 2.2       TMT faultlines and the theory of subgroups.....      | 22          |
| 2.3       Upper echelons and their political ideology .....    | 23          |
| 2.4       Resource-based view and digital orientation .....    | 25          |
| <b>3    Empirical research design .....</b>                    | <b>27</b>   |
| 3.1       Data collection and sample composition.....          | 27          |
| 3.2       Measures.....  | 28          |
| 3.3       Empirical model .....                                | 32          |
| 3.4       Endogeneity and robustness tests.....                | 33          |
| <b>4    Summary of research papers .....</b>                   | <b>37</b>   |
| 4.1       Summary of research paper I .....                    | 38          |
| 4.2       Summary of research paper II .....                   | 44          |
| 4.3       Summary of research paper III.....                   | 49          |
| <b>5    Implications for research and practice.....</b>        | <b>55</b>   |
| 5.1       Theoretical implications.....                        | 55          |

## Table of Contents

---

|  |   |           |
|--|---|-----------|
| 5.2  | Practical implications .....                      | 62        |
| 5.3  | Limitations and avenues for further research..... | 64        |
| <b>References .....</b>  |   | <b>69</b> |
| <b>Part B. Research papers .....</b>   |   | <b>89</b> |
| Research paper I - Bridging the divide: How the CEO's gender and functional background moderate the influence of TMT faultlines on corporate culture ..... | 91  |           |
| Research paper II – Red, blue or purple culture: The association between CEO political ideology and corporate culture.....                                 | 131   |           |
| Research paper III – Navigating the digital landscape: The role of corporate culture in influencing the digital orientation of a firm .....                | 173   |           |
